

# Tucson Community School Masking Requirements

TCS Board of Directors created and approved this policy on July 17, 2022.

Tucson Community School will follow the PCHD and CDC guidance on Community Level to determine masking requirements.

## COMMUNITY COVID LEVEL

	HIGH	MEDIUM	LOW
Indoors, General	Mask Required	Mask Required	Masks Supported, but not Required*
Outdoors, General	Mask Required	Mask Required	Masks Supported, but not Required*
Outdoors, Large Events (75+ people)	Mask Required	Mask Required	Masks Supported, but not Required*

\*To reduce the spread of COVID, when there is a confirmed positive case of COVID on campus, there will be a school-wide 10 mandatory mask requirement, regardless of Community COVID level.

This policy was created to be enforced for all any events on campus. However, all school sponsored events off campus, are strongly encouraged to follow our policies.

Tucson Community School continues to update our COVID policies on our website under "COVID-19 Protocols" listed under the "Admission & Tuition tab." For any questions regarding COVID please reach out to any admin staff or the Board of Directors.
