Dear Tucson Community Members,

For 75 years, Tucson Community School has provided a high-quality preschool experience for generations of Tucson families. Today, TCS continues to offer an unparalleled early childhood program—one that offers every child an intellectually-engaging curriculum, a child-centered day of play and discovery, and a safe place to develop strong social-emotional skills.

As more and more research has proven the significant (and lifelong) impact of attending a high-quality preschool, we know that it's more important now than ever to expand and grow our community. We know and believe that families thrive, economies grow, and communities are successful when children have the opportunity to attend schools such as TCS.

TCS relies upon the generosity of the greater Tucson community to keep us moving forward. **Contributions from individuals or businesses such as yours allow TCS to uphold our standards of best practice.** With your donation we can raise money to employ quality teachers, add to our financial assistance program, and are able to maintain an environment that nurtures the emotional, social, language and cognitive development of every child.

Today, as we prepare for our annual TCS Auction, **our largest fundraiser of the year**, we are asking for your support. The annual auction will be held **Saturday May 17, 2025**. This is a wonderful community-wide event offering attendees a festive evening filled with music, food, drinks, and camaraderie. **We hope you will support our fundraising efforts with a donation of goods or services to be auctioned off. You may also choose to be one of our valuable sponsors with a cash donation.**

To make your donation, please complete the enclosed form and return it with any advertising information you would like to have displayed at the auction.

Thank you for your commitment to the children of TCS and the future community of Tucson, AZ.

Sincerely,

Tucson Community School
