| Kindergarten Field Trip fee | \$75 per child |

*Includes membership fee.

Minimal information regarding TCS policy is listed below for your convenience. Please refer to the Parent Handbook for complete information

Application: Parents interested in enrolling their child may submit an application at any time. Typically, families contact the director and schedule a tour of the school prior to submitting an application and fee. The application fee is non-refundable. Parents are encouraged to apply early, as there are limited spaces in our program. A waiting list is established for each school year based on the date of application. Registration for the coming fall school year begins in February, and admittance is on a first come, first serve basis, with returning students, siblings of current students and alumna having priority. Registration is complete when the school has notified the family of their acceptance, the registration papers are complete, and half of one month's tuition is paid. Children remaining on the waiting list are enrolled as space becomes available (frequently in the next school year).

Scholarship Opportunities: Tucson Community School currently offers scholarship opportunities through First Things First, Arizona Scholarship Fund, Arizona School Choice Trust, the Institute for Better Education Scholarship Programs and the TCS Scholarship Fund (when funds are available). Each program has individual requirements and qualifications. Please contact the office for more information.

Discounts/Refunds: Teacher, military and sibling discounts available. No refunds are given for days when your child is absent/sick nor does TCS offer refunds during the school year (after the initial conference with the student's teacher or the first day of school, whichever comes first).

Payments Due: Half (1/2) a monthly tuition payment is required to secure enrollment. The remaining nine monthly payments are paid August through April. Tuition may be paid by cash, check or VISA/MasterCard/AMEX. Automatic payment with credit/debit card is available. Tuition payments are due and payable without notice by the first business day of the month. A late fee of 10% will be assessed to any payment not received by the tenth (10th day) of the month. The Business Manager must approve special payment arrangements. When a parent withdraws an enrolled child from the school, the parent is responsible for all tuition payments for the school year unless and until the vacated space is filled. The tuition pre-payment is non-refundable upon completion of your initial teacher conference in August or the first day of school for returning students. Any outstanding fees (tuition, membership, work party, late etc.) must be paid before a child may be enrolled for the following school year or before applications of subsequent children will be accepted. The Board of Directors evaluates tuition and fees by March each year. These fees and rates are subject to change.

Late Pick Up Fee: Families who pick up children more than 10 minutes late after the 12:00pm or 3:00pm scheduled dismissal time will be charged \$20 per every 10 minutes. Families who pick up children any time after the 5:00pm scheduled dismissal time will be charged \$20 per every 5 minutes after 5:00pm. The Board of Directors evaluates tuition and fees by March each year. These fees and rates are subject to change.
